

STANDARD ADDITIONAL PROJECT INCENTIVES

January 1 through December 31, 2022

Looking for smart ways to improve your facility and save on operating costs? ComEd offers incentives for upgrading lighting, heating, ventilation and air conditioning (HVAC) equipment, energy management systems, refrigeration and more. Now, ComEd offers additional project incentives* that can help your organization **save even more** on upgrades.

LEEP (LARGE ENERGY EFFICIENCY PROJECT) AHEAD!

- 20% incentive for private sector customers who complete a new 2022 standard project with a final incentive of at least \$50,000 by October 31, 2022
- 20% incentive for public sector customers who complete a new 2022 standard project with a final incentive of at least \$25,000 by October 31, 2022

SCHOOLS

- 20% incentive for private and public sector K-12 schools who complete a new 2022 standard project by October 31, 2022

DISTRESSED COMMUNITIES

- 30% incentive for customers in distressed communities who complete a new 2022 standard project by October 31, 2022. Eligibility for these additional project incentives is determined at city level, except for the City of Chicago, where eligibility is defined by zip code. Please find the 2022 Distressed Community Eligibility list below. Both private and public customers are eligible for distressed community standard additional project incentives. The address for measures installed must be located in a city or zip code found on the 2022 Distressed Community Eligibility List.

*City of Chicago zip codes include: 60621, 60636, 60624, 60623, 60644, 60651, 60609, 60649, 60632, 60637, 60620, 60629, 60653, 60619, 60617, 60628, 60639, 60626, 60612, 60608, 60659, 60616, 60615, 60633, 60645, 60660 and 60641.

MADE IN ILLINOIS

- 10% incentive for installing equipment that is at least 50% manufactured or assembled in Illinois
- **January 1 through December 31, 2022**
- Manufacturer affidavit letters (emails) are required for verification

DISCONTINUED: COMPREHENSIVE ENERGY SAVINGS

- ComEd is ending the Comprehensive Energy Savings Additional Incentive for 2022
 - Projects with 2021 reservations will be eligible for the 20% additional incentive rate.

Please note:

- Only standard projects with new pre-applications submitted after January 1, 2022, are eligible.
- Except in case of Made in IL (which has a final app deadline of December 31, 2022), projects must be complete and a final application received by October 31, 2022 to be eligible.
- Additional project incentives are available through dates provided or until promotional incentives are fully reserved.
- Please see Standard Incentives Application for full application terms and conditions.
- New for 2022:
 - Additional project incentives cannot be combined. The total of incentives and additional project incentives cannot exceed 100% project cost (vs current 75% cap).
